“BREAKING BARRIERS, BUILDING BELONGING, EMPOWERING WOMEN THROUGH INCLUSIVE SUCCESS”

Wednesday, April 24, 2024

9:00am-10:30am | Virtual (ZOOM)

FREE & Open To The Public

The BVCC's WSN is excited to host a transformative Masterclass series as we celebrate International Women's Day and Inspire Inclusion. This virtual series is designed to help women from diverse backgrounds and business/career stages to explore the power of inclusion in their professional and personal lives.

This Masterclass will delve into the fundamental question: What is inclusion? We'll uncover why fostering an inclusive environment is not only essential for societal progress but also for individual growth and empowerment. Through interactive discussions and real-life examples, we'll explore how inclusion creates a sense of belonging, relevance, and empowerment for women worldwide.

Key Takeaways

- *Ignite your passion for inclusive success and unleash your full potential.*
- *Harness the power of neuroscience to uncover barriers and propel yourself towards greatness.*
- *Walk away with practical strategies to cultivate an inclusive mindset and achieve unprecedented levels of success.*
